

St. Petersburg Academic University
St. Petersburg State Polytechnical University
Technische Universität München

The Eighth Joint Advanced Student School

March 18 - 24, 2012
in St. Petersburg

JASS 2012

Courses

Edward A. Hirsch, Ernst W. Mayr:

Design of Efficient String Algorithms

Kirill V. Krinkin, Bernd Brügge:

Usability Engineering & Ubiquitous Computing
on Mobile Devices

Vyacheslav P. Shkodyrev, Vyacheslav V. Potekhin, Darius Burschka:

Collaborative Perception and Control in Distributed Systems

Yury Boldyrev, Sergey Lupuleac, Rudolf Schilling:

Numerical Simulation in Mechanical Engineering

Director:

Ernst W. Mayr

General Organization:

Ernst W. Mayr, Institut für Informatik, TU München

Further Information:

WWW: <http://www14.in.tum.de/konferenzen/Jass12/>

Application:

Application forms can be obtained from the respective course directors and should also be submitted to them

Partners of JASS 2012:
